Dear Darrell:

Thank you so much for your letter of January 10. I, too, appreciated the opportunity for the two of us to become acquainted during the recent Campus Evangelism Seminar. I was happy also to learn more about your unusual opportunity in Project Challenge. I do hope that the days ahead are going to provide many meaningful ways to share the Christ with young people on college campuses of America.

I hope that we will have the opportunity to be with each other on many occasions in the future. It was refreshing to have you in our midst, and I certainly hope that greater harmony and understanding can prevail among us all who are committed to New Testament Christianity in the 20th Century, as we work in surrender to the risen Lord each day. Thank you for your letter. It will be our pleasure to be in contact with you in the days ahead.

I have taken the liberty to enclose some of our most recent Herald of Truth radio programs. Please keep us in mind and send any relevant material you think I might profitably use as you read.

Fraternally yours,

John Allen Chalk

January 10th

Dear John,

It was a great spiritual treat to attend the Campus Evangelism Seminar. I felt warmly accepted and truly appreciate the kindness everyone displayed toward me.

I'm very glad to meet you. Hopefully this was one of many opportunities to talk with you. When you are near Los Angeles I expect you to give me a call. It would be an honor to return the hospitality shown me at Dallas.

Pray for my ministry with the college age. I will certainly remember you to our Father and be interested in your work. Say, put me on any mailing list that will keep me informed of your progress: 15936 Dalmatian, La Mirada, California, 90638.

In Christ,

Darrell Terry
